## Portrait en Plein Air Student Exhibition at Three Pines Studio, Cross Village, Michigan

Portraiture is one of the most highly regarded art forms. Painting the portrait outdoors is even more respected. Master Pastelist, Bill Hosner, will be teaching an outdoor portrait workshop culminating in a student show at **Three Pines Studio**

**& Gallery.** During the workshop, students will learn the finer points of painting portraits en plein air. Each student will choose their favorite piece created during the workshop and then learn how to frame and prepare the piece for exhibition.

These pieces will be exhibited and available for purchase at **Three Pines Studio & Gallery at a Gala Opening Saturday, May 22, 2010.** Join us for a rare opportunity to view portraiture in its most spontaneous form.
