

# Magical Transformations:

## Dolls Toying With Artists

Petoskey artist, **Linda Haderer**, donated over 100 soft sculpture human forms to Three Pines Studio in Cross Village. Area artists have transformed these many dolls into an expression of their individual "art spirit". Mediums and creative direction vary from piece to piece. They have created characters, told a story, expressed a dream, dressed them up and down. In short, the show is about fun, fancy and whimsy!
